The Lodge

Is your dream of a wedding at a secluded Lodge complete with its own lake and woodlands offering a perfect panoramic backdrop for all your photos?

Nestled in the Welsh countryside, our oak framed grand function hall offers high ceilings, rustic charm and stunning views across our lake, fountains and surrounding woodlands. It provides a truly romantic setting during the day and an enchantingly magical one at night.

There are few venues in South Wales that combine the elegance, charm and stunning views of Canada Lodge & Lake. Furthermore, if you book a wedding or a function with us you can be guaranteed that the whole building will be exclusively yours from morning to night.

The two floors offer a seamless flow to your special day. Licenced civil weddings or partnerships take place in our large oak grand function room whilst your wedding breakfast takes place downstairs in our stylish Lakeside room offering an additional large, terrace area and windows to take full advantage of its lakeside position.

When the lights go down the party can begin... The Lodge is designed to flow straight into the evening. There is no need for your guests to be moved out to wait while rooms are reset – with us you get two function rooms throughout the whole day.

Usually, weddings at the Lodge are in the Oak Room and the Lakeside Room which can accommodate a maximum of 120 seated and 180 for evening celebration.

"Canada Lodge was our dream wedding reception venue from the moment we arrived- it's such a beautiful setting and really is one of Cardiff's best kept secrets. The venue and accommodation suited us perfectly and it was great to find one venue that gave us so many options.

"Nichola and her team were very helpful and accommodating in the planning process and the lead up to our big day. We can't wait to visit every year on our anniversary." Mr & Mrs Rhydian Griffiths

Rhodri's By The lake
